<b>TRAINER</b>	Miriam de Angelis
	<p>Miriam DE ANGELIS (F) majored in International and Diplomatic Relations at the University Orientale in Naples and also got a Post-graduate Degree in Project Management at the Sole24 Ore Business School &amp; Sapienza University in Rome. After a brief experience as intern at the Italian Embassy in Moscow, she joined APRE in 2010. Since the very beginning of her experience in APRE she has been actively contributing to the management of several projects, such as ETNA, ETNA Plus, SME-AERO-POWER, BEWARE, RADIANT, SAFERAFRICA. She worked on R&amp;I international cooperation activities through the projects ERA-Can2, CANNAPE and ERACAN Plus, supporting the EU-Canada dialogue in the field of Science, Technology and Innovation, aiming at fostering EU-Canada Partnership on Research and Innovation. In Horizon 2020, she was National Contact Point for the challenge “Smart, green and integrated transport” and for the challenge “Climate action, resource efficiency and raw materials”. She coordinated ETNA2020, the European network of the Horizon 2020 National Contact Points for “Smart, Green and Integrated Transport” societal challenge.</p>
