SPEAKER

Marco Ferraro has a background experiences in international cooperation. He has a post-graduation master degree on European Project Management and SMEs internationalization processes. From January 2012 to July 2013 he has worked for the European Parliament Information Office in Rome, being responsible for Communication activities of the Office. His main activities included the communication strategy planning and activities of the Office and he also worked with the Press Office in tight cooperation with the Italian Members of the European Parliament. Since he joined APRE in September 2013 he has been specializing in international cooperation, Marie Skłodowska-Curie Actions(MSCA) and European Research Council (ERC) programmes in Horizon 2020, giving him the role as National Contact Point (NCP) in APRE for both programmes. For MSCA, he is NCP for Italy since March 2014, for ERC, since September 2014. He is also involved in managing the following projects: Net4Mobility, Net4Mobility+, SiS.net2, SiS.net3 (HORIZON 2020) and INConet EaP (FP7). Last involvement was in the RESISTO project, where he is responsible for the dissemination and communication activities of the project and the financial and technical management of the project. He is also involved in the MSCA and Euratom NCPs network projects.

Daniele Gizzi, bachelor's degree and master degree in International Relation at the University of Pisa 110/110. From the 2010 he has been working as Project Manager and European consultant for various Italian local authorities (Municipalities, Provinces and Regions). He coordinated and worked in several international cooperation projects in Middle East, Maghreb, Balkans, East Europe and Sub-Saharan Africa financed inside Regional, National, European and International Programmes for funding such as: IPA Cross-border, Non-State Actors and Local Authorities in Development (NSA-LA), European Neighborhood and Partnership Instrument (ENPI), Creative Europe, Asylum, Migration and Integration Fund (AMIF), National Endowment for Democracy (NED), Europe for Citizens 2014-2020, Programme de Coopération Transfrontière (CT) Italie-Tunisie 2014-2020. In the framework of the various projects, he carried out activities concerning the management, the financial reporting and the communication activities. From 2013 he has been in charge of the coordinating the Focus Europe Association's training activities on EU Funds. He joined APRE in 2017 where has played and continues to play the role of project manager. He has been involved as responsible of the APRE activities in the following projects: MERIL-2 (data acquisition and research infrastructures mapping), RISCAPÉ (dissemination and communication activities), IPERION (international cooperation with CELAC countries, exploitation, communication and dissemination), BIOVOICES (coordination and management and stakeholder engagement), RICH and RICH2 (Research Infrastructures Consortium of NCPs in Horizon 2020). In Horizon Europe he is National Contact Point for Research Infrastructures and Legal&Financial and Project Coordinator of RICH Europe, the network of Horizon Europe RIs National Contact Points
