The oral test will be conducted via Skype (or another similar tool) on 14 September 2022 at 8:00 am. A specific channel will be created in skype to let the interviews take place. Candidates admitted to the interviews will receive the email with the link to join the virtual meeting at the email address indicated in the application form for the competition.

The applicant's identity will be verified by simultaneous presentation of the colour identification document, already attached to the application form, at the established time and in the presence of the other applicants. It is forbidden to make audio/video recordings of the interview remotely through the used platforms. It is also forbidden for anyone to broadcast audio/video recordings made with instruments other than the platform itself. The absence of the candidate on the day and time of the exam will be considered as a notification of the exam itself, whatever the cause.
